

# City Launches Project Website Ahead of Yacht Club Community Park Improvements

The City of Cape Coral recently launched a new website, [www.CCYachtClub.com](http://www.CCYachtClub.com) to keep the public informed on the Yacht Club Community Park improvements that are being funded in part by the Parks GO Bond. Cape Coral voters approved the \$60 million Bond in 2018, which will fund parks and recreation improvements throughout the city.

The website includes project renderings and the approved concept plan for the project, and it will provide regular updates on the status of the Yacht Club Community Park's planned improvements. Website visitors can [sign up for news and updates](#) that will be delivered directly to their email inbox. The goal of the website is to provide accurate information about the construction project.

Thank you Cape Coral voters for supporting the Parks GO Bond. We appreciate your support and look forward to sharing more updates on this exciting project!
